Yvonne Shaw is an Auckland-based artist and psychodrama trainee. Her interest in how photographic images of psychodrama might reveal new insights about spontaneity led to a PhD in Fine Arts at the University of Auckland. Between 2021 and 2025 she photographed five psychodrama workshops as part of her research, in warm collaboration with fellow trainees and members of the Australian and Aotearoa New Zealand Psychodrama Association. Yvonne is currently in her seventh year of psychodrama training and is an Associate member of AANZPA.
